Flats to slum dwellers

†1167. SHRIMATI KUM KUM RAI: Will the Minister of URBAN EMPLOYMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether Government are considering to allot flats under public-private participation to slum dwellers in order to rehabilitate them;

(b) if so, the details thereof; and

(c) the number of cities in the country where this scheme is going to be introduced?

THE MINISTER OF STATE OF THE MINISTRY OF URBAN EMPLOYMENT AND POVERTY ALLEVIATION (KUMARI SELJA): (a) and (b) The main thrust of the revised strategy of urban renewal, including providing basic services to the urban poor, is to ensure improvement in urban governance so that Urban Local Bodies (ULBs) and para-statal agencies become financially sound with enhanced credit rating and ability to access market capital for undertaking new programmes and expansion of services. In this improved environment, public-private participation models for provisioning of various services would also become feasible. Accordingly, under the Sub-Mission on Basic Services to the Urban Poor (BSUP) of the Jawaharlal Nehru National Urban Renewal Mission (JNNURM) launched on 3rd December 2005, projects with private sector participation will be encouraged, as this will help leverage private capital and bring in efficiency. The Integrated Housing & Slum Development Programme (IHSDP) that was launched along with the JNNURM, also seeks to enhance public and private investments in housing and infrastructural development in urban areas.

(c) The JNNURM will be implemented in select 63 cities. The names of these cities are given in the Statement (*See* below). Remaining cities will be covered under IHSDP.
